that meet your needs

# UTILITY LIGHTING SOLUTIONS

For more than 50 years, Valmont has offered utilities steel and aluminum structures to enhance city streetscapes, town centers, parks and residential areas with decorative and standard designs.

Valmont understands the unique requirements of investor-owned utilities, municipal utilities and electrical cooperatives. We have built our reputation on a company-wide commitment to customer service, innovation and cost control. Most importantly, we put our experience, understanding of specifications and standards, and reputation for excellence into everything we design and manufacture.

With our breadth of products, Valmont is unmatched in our ability to provide standard and decorative products to the utility market. Whether you're lighting a residential neighborhood or revitalizing a downtown main street, Valmont offers a complete lighting solution.

# LEVERAGING IN-HOUSE ENGINEERING

Engineers, architects, contractors and city planners rely on Valmont for superior quality, affordability, functionality and aesthetically pleasing utility light poles.

Meeting the needs of you, our customer, is our top priority. No matter how large or small your order, whether it's standard or specially designed, our focus is to provide a quality product, to deliver that product on time and per your project requirement, and ultimately, to be your reliable lighting partner.

Our product offerings include:

- Street Lighting standards
- Area Lighting standards
- Lighting Bracket Arms
- Decorative Lighting standards
- Sports and Stadium Lighting
- Custom Fabrication
